

CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D.C. 20505

Mr. Raymond Jacobson
Director, Bureau of Recruiting and Examining
Civil Service Commission
Washington, D. C. 20415

Dear Mr. Jacobson:

STATINTL
This is to request approval for placing CIA recruitment information with your Interagency Boards as discussed with you by Mr. [redacted] of my staff.

The enclosed is representative material which we would furnish the Boards. Enclosure A is a general broadside listing many academic fields of interest to the Central Intelligence Agency. The type of specific broadside, which we would occasionally wish to emphasize, is shown in Enclosure B. The typist-stenographer pamphlet, Enclosure C, represents the clerical type information we would make available. The recruiting handbook would also be made available to the Boards.

Your cooperation will be appreciated. Inasmuch as [redacted] has been in touch with Mr. Don Holum of your staff, I suggest that subsequent development, including a mechanism for contact with the Boards, be worked out by them if this is agreeable to you. STATINTL

Sincerely,

E. D. Echols
Director of Personnel
